\* **Minimum number of lessons offered by us shall be 10 times.**

1) The applicant is welcome to attend an interview (consultation) with our supervisor at our school, free of charge.

1) At this interview, we will discuss the applicant's expectations including purposes of learning.

Also, the applicant should propose his/her preferred dates and time periods for the lessons. Once the preferred dates and time periods have been fixed, they shall not be changed along the way in principle.

3.) If the student has to cancel any lessons based on his/her convenience, we will arrange substitute lessons within the term of validity if the student informs us of such cancellation not later than 16:00 on the day before the lesson (16:00 on Saturday if the lesson is scheduled for Monday of the next week).

However, please note that any cancellation informed on the day of the lesson shall be deemed as one lesson received.

In addition, lessons which a student does not attend within the term of validity shall be void.
